Introduction**

1. Section 88P of the School Standards and Framework Act 1998 requires Local Authorities to make an annual report to the adjudicator.
2. The School Admissions Code (the Code) at paragraph 6 sets out the requirements for reports by local authorities. Paragraph 3.23 specifies what must be included as a minimum in the report to the adjudicator and makes provision for the local authority to include any other local issues.
3. There are other matters concerning admissions, some suggested by local authorities, about which it would be useful to have a view. Rather than undertake a separate exercise in which information is sought from local authorities, you are asked to include any relevant information in your report to the adjudicator.

## **Completing the Template**

**This template is designed to be completed electronically - boxes will expand as necessary.**

**Throughout this report, please include middle deemed primary schools as for pupils up to age 11 and middle deemed secondary schools as for pupils over 11. For schools that have children of primary and secondary age and are not designated as a middle school please record them as all-through schools.**

**Where a type of school is given, foundation covers foundation schools and foundation schools with a foundation (trust schools). Academy schools should be recorded by the individual type of academy school, namely, academy, free school, UTC or studio school.**

### **1. Local Authority school numbers**

Please give the total number of schools by type within your local authority as at 30 June 2014.

<b>Type of School</b>	<b>Number of Schools for pupils up to age 11</b>	<b>Number of Schools for pupils over age 11</b>	<b>Number of all-through schools</b>
<b>Community</b>	34	2	0
<b>Voluntary Controlled</b>	13	1	0
<b>Voluntary Aided</b>	3	0	0
<b>Foundation</b>	1	0	0
<b>Academy</b>	14	10	0
<b>Free School</b>	0	0	0
<b>UTC</b>	N/A	0	0
<b>Studio School</b>	N/A	0	0

## 2. Admission Arrangements for Admissions in September 2014

The Code at paragraph 3.23 requires that each local authority must report on how well the admission arrangements for state-funded schools (of all types) in its local authority area serve the interests of the groups of children listed below.

Please include details of any problems that have arisen for these children while allocating places for admissions in September 2014, for example any admission arrangements for own admission authority schools that could be interpreted as implying the school has some discretion over the admission of children who have a statement that names the school or looked after children and previously looked after children other than the permitted exceptions.

(a) How well are the interests of **looked after children** served?

Tick as appropriate: Fully  In part  Not satisfactorily

Comments: These pupils (along with previously looked after children) are given the highest priority in the oversubscription criteria for all schools in the area (including academies, VA, and foundation schools). The Catholic academies do prioritise children of their own faith, as is allowed by the code.

(b) How well are the interests of **previously looked after children** served?

Tick as appropriate: Fully  In part  Not satisfactorily

Comments: These pupils (along with looked after children) are given the highest priority in the oversubscription criteria for all schools in the area (including academies, VA, and foundation schools).

(c) How well are the interests of **children with disabilities** served?

Tick as appropriate: Fully  In part  Not satisfactorily

Comments: Neither the LA nor the own admission authority schools in the area have an allocation criteria for the admission of children with disabilities who are not statemented. However, paragraph 1.8 is complied with by ensuring non-discrimination against disadvantaged children with SEN or disabilities.

(d) How well served are **children who have special educational needs and who have a statement of special needs** that names a school?

Tick as appropriate: Fully  In part  Not satisfactorily

Comments: All stated pupils are allocated places at all schools in the area before the allocation of any other pupil.

(e) How well served are those **children who have special needs, but do not have a statement?**

Tick as appropriate: Fully  In part  Not satisfactorily

Comments: Neither the LA nor the own admission authority schools in the area have an allocation criteria for the admission of children with special needs who are not stated. However, there is a very high rate (94.9% primary, 97.1% junior, 97.1% secondary) in the area of children being offered their first preference school. Where parents are unsuccessful, they are encouraged to use the appeal mechanism so that issues (such as special needs) can be fully considered.

### 3. Co-ordination of admissions

Please assess the effectiveness of co-ordination of primary and secondary admissions for September 2014 in your local authority highlighting any particular strengths in the process and any problems.
