Introduction

1. Section 88P of the School Standards and Framework Act 1998 requires Local Authorities to make an annual report to the adjudicator.
2. The School Admissions Code (the Code) at paragraph 6 sets out the requirements for reports by local authorities. Paragraph 3.23 specifies what must be included as a minimum in the report to the adjudicator and makes provision for the local authority to include any other local issues.
3. There are other matters concerning admissions, some suggested by local authorities themselves, about which it would be useful to have a view. Rather than undertake a separate exercise in which information is sought from local authorities, you are asked to include any relevant information in your report to the adjudicator.

Completing the Template

This template is designed to be completed electronically - boxes will expand as necessary. Please note that we will contact you if any data boxes have not been completed. However if there are any blank comment boxes we will presume that you have no comments to make.

Throughout this report, please include middle deemed primary schools as for pupils up to age 11 and middle deemed secondary schools as for pupils over 11. For schools that have children of primary and secondary age and are not designated as a middle school please record them as all-through schools.

Where a type of school is given, foundation covers foundation schools and foundation schools with a foundation (trust schools). Academy schools should be recorded by the individual type of academy school, namely, academy, free school, UTC or studio school.

1. Local Authority school numbers

Please give the total number of schools by type within your local authority as at 30 June 2016.

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	32	2	0
Voluntary Controlled	13	1	0
Voluntary Aided	3	0	0
Foundation	1	0	0
Academy	14	10	0
Free School	0	0	0
UTC	N/A	1	0

Studio School	N/A	0	0

2. Admission Arrangements for Admissions in September 2016

The Code at paragraph 3.23 requires that each local authority provides “*information about how admission arrangements in the area of the local authority serve the interests of looked after children and previously looked after children, children with disabilities and children with special educational needs, including any details of where problems have arisen*”.

Please include details of:

1. Any ways in which each of the following groups of children have been especially well served; and
2. Any difficulties that have arisen for each group of children while allocating places for admission in September 2016.

(a) How well are the interests of **looked after children** served?

Tick as appropriate: Fully In part Not satisfactory

Comments: Looked After Children (along with previously looked after children) are given the highest priority in the oversubscription criteria for all schools in the area (including academies, VA, and foundation schools). The Catholic academies do prioritise children of their own faith, as is allowed by the code.

For in-year admissions the Fair Access Protocol confirms: "Looked after children, previously looked after children, and those allocated a place at the school in accordance with a Fair Access Protocol, must take precedence over those on a waiting list."

(b) How well are the interests of **previously looked after children** served?

Tick as appropriate: Fully In part Not satisfactory

Comments: These pupils (along with looked after children) are given the highest priority in the oversubscription criteria for all schools in the area (including academies, VA, and foundation schools).

For in-year admissions the Fair Access Protocol confirms: "Looked after children, previously looked after children, and those allocated a place at the school in accordance with a Fair Access Protocol, must take precedence over those on a waiting list."

(c) How well are the interests of **children with disabilities** served?

Tick as appropriate: Fully In part Not satisfactorily

Comments: Neither the LA nor the own admission authority schools in the area have an allocation criteria for the admission of children with disabilities who are not statemented.

However, paragraph 1.8 of the Admissions Code is complied with by ensuring non-discrimination against disadvantaged children with SEN or disabilities.

- (d) How well served are **children who have special educational needs and who have a statement of special needs** that names a school (or an education health and care plan)?

Tick as appropriate: Fully In part Not satisfactorily

Comments: All statemented pupils are allocated places to schools in the area before the allocation of other pupils.

- (e) How well served are those **children who have special needs, but do not have a statement?**

Tick as appropriate: Fully In part Not satisfactorily

Comments: It should be noted that, the majority of families are offered their first choice of school. Therefore, we do not have any evidence to suggest that this group are not being well served by the current admissions arrangements.

3. Co-ordination of admissions

A) During the normal admissions round

Please assess the effectiveness of co-ordination of primary and secondary admissions for September 2016 in your local authority, highlighting any particular strengths in the process or any problems that have arisen.

Primary

- (a) How well has the operation of national offer day worked for primary admissions this year compared with previous years?

Tick as appropriate: Better The same Less well

Comments:

Secondary

(b) How well has the operation of national offer day worked for secondary admissions this year compared with previous years?

Tick as appropriate: Better The same Less well

Comments:

(c) If you have any UTCs or studio schools in your area, do you co-ordinate admissions for entry at the relevant year group for entry to these schools?

Tick as appropriate: Yes No N/A

If **YES**, please comment on how well the admissions process is working for these schools: The process has run smoothly in parallel to the council's normal secondary admissions round.

If **NO**, do you have any evidence about how well the admission process is working for individual UTCs or studio schools?

Tick as appropriate: Yes No

If **YES**, please comment:

B) In-year admissions

The Code sets out that in-year admissions do not have to be co-ordinated by the local authority.

(a) How many **pupils** have needed a school place because they do not have one or because parents have applied for a place as an in-year admission for any other reason between 1 September 2015 and 15 June 2016?

Number of pupils up to age 11	Number of pupils over age 11	Number of post-16 students
673	298	Not known

(b) Does your local authority co-ordinate in-year admissions for all, some or none of the schools in your area?

Tick as appropriate: All Some None

If 'Some', please complete the table below as appropriate

Type of School	Number of Schools for pupils up to	Number of Schools for pupils over	Number of all-through schools
----------------	------------------------------------	-----------------------------------	-------------------------------

	age 11	age 11	
Community			
Voluntary Controlled			
Voluntary Aided			
Foundation			
Academy			
Free School			
UTC	N/A		
Studio School	N/A		

- (c) Do you have any information about how many schools parents might approach before obtaining a place? Please comment on any issues that have come to your attention.

Comments: If parents contact schools directly they are referred to the LA to complete an in year application form.

- (d) How confident are you that the requirements of the Code at paragraph 2.22, for schools to keep the local authority informed in a timely manner about applications and the outcomes, are being met? (If you co-ordinate all admissions for all schools then please tick not applicable.)

Tick as appropriate:

Very confident Confident Not confident Not applicable

- (e) Across your local authority, how well have in-year admissions worked this year?

Tick as appropriate: Better than last year The same as last year
Less well than last year

- (f) Please comment on the effectiveness overall of in-year admission arrangements across all types of schools in your local authority.

Comments: North Lincolnshire has very effective in-year admission arrangements. All schools (including academies, foundation, and voluntary aided schools) have agreed for the LA to co-ordinate in year admissions. This arrangement ensures pupils are placed in schools quickly, often in the school preferred by the parents.

4. Fair Access Protocol

The Code at paragraph 3.9 requires each local authority to have agreed a Fair Access Protocol with the majority of schools in its area. Paragraph 3.11 of the Code requires that all admission authorities must participate in the Fair Access

Protocol.

- (a) Please confirm that your local authority has a Fair Access Protocol that has been agreed with the majority of schools in your area.

Tick as appropriate: Yes No

If **NO**, please explain:

- (b) Although a majority of schools, and perhaps all, will have agreed the Fair Access Protocol, some may not have done so. Please state how many schools have not agreed your Fair Access Protocol.

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	0	0	0
Voluntary Controlled	0	0	0
Voluntary Aided	0	0	0
Foundation	0	0	0
Academy	0	0	0
Free School	0	0	0
UTC	N/A	0	0
Studio School	N/A	0	0

- (c) Where schools did not agree the Fair Access Protocol, please say why they did not agree.

Comments: N/A

- (d) (i) Please give your assessment of how well your Fair Access Protocol has worked in the academic year 2015/16 in placing children without a school place in schools in a timely manner.

Tick as appropriate: Very well Mostly well Some difficulties

- (ii) What is your general assessment of the working of the protocol compared with last year?

Tick as appropriate: More effective As effective Less effective

- (iii) How frequently has the protocol been used to place a child compared with last year?

Tick as appropriate: More frequently Same frequency Less frequently

- (e) Have you any examples of particularly effective collaboration and working with individual schools, for example, placing children in year 6

of a primary school or years 10 and 11 of a secondary school?

Tick as appropriate: Yes No

Comments: The council and all schools in the area ratified a new Fair Access Protocol (FAP) in March 2016. The new FAP now requires all decisions on fair access cases to be undertaken by panel of senior leaders from all secondary schools and post-16 providers, with an independent chair (previously the local authority decided on fair access cases). The panel is required to resolve any fair access cases referred to it, allocating each child a place at an appropriate school.

(f) Have you had specific problems in allocating a place through the protocol, for example, where a school has been reluctant to accept a child?

Tick as appropriate: Yes No

Comments: Where a school is reluctant to accept a child the case is referred to the Fair Access Panel for resolution. All schools have agreed to admit pupils allocated by the panel.

(g) How many children have been admitted under the protocol to each type of school in your area? How many children have been refused admission to a school?

Type of School	Number of children admitted			Number of children refused admission		
	Schools for pupils up to age 11	Schools for pupils over age 11	All-through schools	Schools for pupils up to age 11	Schools for pupils over age 11	All-through schools

(h) If children have not been placed successfully in a school through the protocol, have you used the direction process to provide a place for a child?

Tick as appropriate: Yes No N/A

(i) If **YES**, how many children have been placed and in which type of

school as a result of a direction, including a direction via the EFA on behalf of the Secretary of State or after a referral to the Adjudicator?

- (j) Please add any other relevant information you wish to include in sections g - i concerning Fair Access Protocols.

5. Admission Appeals

The Code requires data to be collected about appeals. In order to meet this requirement the DfE will use the latest published Statistical First Release: admission appeals for maintained and academy primary and secondary schools in England.

Taking into account comments reported in 2014, and data gathered for the first time in 2015, in response to the invitation to *“add any comments about the appeals process in your area”*, it would be helpful to gather views once again across all local authorities on the extent to which schools that are their own admission authority continue to use local authority services for admission appeals.

- (a) Do any own admission authority schools use any of your services as part of the appeals process?

Tick as appropriate: Yes No

- (b) If yes, please indicate the number of schools that use at least some of your services

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Voluntary Aided	3	0	0
Foundation	1	0	0
Academy	10	9	0

Free School	0	0	0

(c) Please indicate the services that are used :

Full appeals process	Y	Y	N
Legal advice	Y	Y	N
Assistance in the preparation and presentation of case documentation	Y	Y	N

(d) Please add any other service related to appeals obtained from your local authority

Comment: N/A

(e) Please add comments about any aspects of the appeals process in your area that work well or that cause difficulties, as appropriate.

6. Other Issues

A. Objections to admission arrangements

Paragraph 3.2 in the Code says “*local authorities **must** refer an objection to the Schools Adjudicator if they are of the view or suspect that the admission arrangements that have been determined by other admission authorities are unlawful*”.

(a) How many sets of admission arrangements of schools were queried directly by your local authority with schools that are their own admission authority because they were considered not to comply with the Code?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Voluntary Aided	0	0	0
Foundation	0	0	0
Academy	0	0	0
Free School	0	0	0

UTC	N/A	0	0
Studio School	N/A	0	0

(b) How confident are you that own admission authority admission arrangements are now fully compliant with the Code?

Tick as appropriate: Very confident Confident Not confident

(c) How many schools did not send you a copy of their full admission arrangements, including any supplementary information form (or any such form by another name, for example, religious inquiry form) if one is used, by 15 March, as required by paragraph 1.47 of the Code?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Voluntary Aided	0	0	0
Foundation	0	0	0
Academy	0	0	0
Free School	0	0	0
UTC	N/A	0	0
Studio School	N/A	0	0

B. Fraudulent applications

(a) Is there any concern in your local authority about fraudulent applications?

Tick as appropriate: Yes No

(b) Did your local authority make any offers on national offer days that were subsequently withdrawn as a result of a fraudulent application?

Tick as appropriate: Yes No

(c) If **YES**, how many for each type of school?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community			
Voluntary Controlled			
Voluntary Aided			
Foundation			
Academy			
Free School			
UTC	N/A		
Studio School	N/A		

(d) What action is your LA taking to prevent fraudulent applications?

Comment: Where concerns are raised (by LA staff, schools, parents) applications are investigated proportionally and reasonably.

C. Summer-born children, deferred entry and part-time attendance

The DfE issued revised guidance in December 2014 “Advice on the admission on summer-born children” for local authorities, school admission authorities and parents ([Link to Guidance](#)). The Code at paragraph 2.16 deals with deferred entry and/or part-time attendance for children in the year they reach compulsory school age. Paragraph 2.17, 2.17A and 2.17B refer to the admission of children outside their normal age group.

(a) Do you keep data for any schools on the number of requests from parents who ask that their child is admitted to a class outside their normal age group?

Tick as appropriate: Yes No

(i) For community and voluntary controlled schools: Yes No

(ii) For own admission authority schools: Yes No

If **YES in answer to (a) above**, please complete the tables:

Type of School	In 2015, how many requests for deferred admission to year R in 2016 were agreed for a child who will have reached the normal age for Year 1?
Community & Voluntary Controlled	0
Own Admission Authority	0

Type of School	How many requests to defer admission to year R in 2016 were received?	How many of those requests were subsequently agreed?
Community & Voluntary Controlled	1	0
Own Admission Authority	1	0

(b) What reasons, if known, were given for seeking to defer the admission to year R of children for a full school year?

Comments: Their child was 'summer born'

- (c) Do you have any other comments on the matter of admission of summer-born children, including requests to delay admissions made after the allocation of places in the normal admissions round?

Comments: The number of requests for deferral to year R in 2017 has increased due to publicity on the matter. So far five requests have been received.

- (d) Do you have any comments about paragraph 2.16c) in the Code concerning the offer and/or take-up of part-time attendance by children below compulsory school age?

Comments: All schools in the area offer this provision, No problems have been reported.

D. Pupil, service and early years premium

The 2014 Code permits all schools to give priority for admission in 2016 to children eligible for the pupil, service or early years premium (paragraphs 1.39A and 1.39B). If admission authorities wish to introduce such a priority they must have consulted as required by the Code in paragraphs 1.42-1.45.

- (a) Pupil and service premium

In respect of community and voluntary controlled schools:

Type of School	Has the LA considered giving priority to pupil/service premium? (Y/N)	If YES, have you consulted on this? (Y/N)	In response to consultation has the priority been implemented? (Y/N)
Community Primary	Y	Y - see below	N
Voluntary Controlled Primary	Y	Y - see below	N
Community Secondary	Y	Y - see below	N
Voluntary Controlled Secondary	Y	Y - see below	N

Comments: Whilst admissions authorities have been consulted on this criterion, none have incorporated it into their arrangements. The council has no evidence that children who are in receipt of pupil premium are disadvantaged by the current admission arrangements of any schools in the area

--

In respect of own admission authority schools:

Type of School	Has the LA been consulted by any own admission authority of the type shown below on giving priority to pupil/service premium? (Y/N)	If YES in response to consultation, for how many schools has the priority been implemented? (Please give the number)

Comments: The council has no evidence that children who are in receipt of early years pupil premium are disadvantaged by the current admission arrangements of any schools in the area

E. Local Authority Issues

Please provide details of any other issues that you would like to raise and/or comment on that have not been already covered in this report.

Comments:

Re: 14-16 FE and sixth-form provision

We believe that admissions guidance in relation to FE and sixth-form establishments that are able to enroll 14-16 pupils full-time needs to become statutory, less ambiguous and more detailed. The current guidance is contained in the document titled: "Full-time enrolment of 14 to 16 year-olds in FE and sixth-form colleges academic year 2015 to 2016". The document simply states "Colleges should use the school admissions code as a model for the expected practice for 14 to 16 provision with colleges. College admission arrangements should be published in a manner accessible to students and parents." Incidentally, this statement is published under the heading of 'Admission Appeals', which makes it slightly misleading.

This statement is of little practical value, as it only states that 14-16 providers should (not must) use the schools admissions code as a model. Furthermore, the notion of modelling is subjective and is widely open to interpretation. It seems incompatible that schools, academies, UTCs etc are bound by the admissions code, but 14-16 FE / sixth-forms are not under the same (or any) obligation. The admissions code is in place to ensure that arrangements are fair and constant for parents and pupils, but this level of assurance cannot be currently be applied to 14-16 FE / sixth-forms.

As 14-16 FE / sixth forms form part of the overall provision for statutory school aged pupils, it would seem appropriate, consistent and fair if they were required to comply with the admissions code. This would also ensure that 14-16 FE/ sixth forms provide, by default, SEND pupils, excluded pupils and fair access pupils etc the same opportunities as all other statutory providers.

If 14-16 FE / sixth forms are not required to follow the admissions code, then a separate code should be published which clearly sets out their obligations and mandatory requirements.

Deferred Admissions (Appeals)

It is noted that there is no statutory right of appeal against a decision to refuse an application for deferred entry. However, it would be helpful if best practice guidance was published to ensure that practice and policy was implemented consistently across all local authorities.
